For over 10 years, Audit People **has been designing and delivering training courses for individual users and companies** on the main issues related to compliance.

We are **UNI** partners, **the Italian Standardization Body**, with whom we have signed a **Training Agreement**.

We have created an [Academy Platform](#) with training **courses** in asynchronous mode that are always **updated** and **customizable on request**. In order to make your consultation easier, you will find them divided into the following **Categories**:

- Compliance & Risk
- ISO and UNI standards
- Sustainability
- Privacy & Cyber
- Specializations

If you are a company, contact us at formazione@auditpeople.it to receive a personalized offer.

If you are an individual user, you will find the **registration form** at the bottom of this catalog, or [online](#).

If you also want to know about our Classroom, Live online and Residential Courses, download the [complete 2025 Catalogue](#) and discover the [updated Calendar](#) for the current semester.
